

## Estimating your ATAR and from the 2016 calculations

Reference: [www.tisc.edu.au](http://www.tisc.edu.au)

### General information

An ATAR ranges from 99.95 to zero, and reports your rank position relative to all other students. It takes into account the number of students who sit the WACE examinations in any year and also the number of people of Year 12 school leaving age in the total population.

If you have an ATAR of 70.00, for example, it indicates that you have achieved as well as or better than 70% of the Year 12 school leaver age population in the state.

### 2016 TEA calculation

You need at least four scaled scores for an ATAR to be calculated. The ATAR is calculated from your Tertiary Entrance Aggregate (TEA). In 2016, your TEA would have been the sum of your best four scaled scores plus 10% of your best Language Other Than English (LOTE) scaled score (if you had one). If you had more than one LOTE score, only one (the best) LOTE scaled score was used as the LOTE bonus. You receive the LOTE bonus even if your LOTE course was not counted as one of your best four. The maximum TEA in 2016 was 410.

### Additional information for 2017 TEA calculation

As well as the LOTE bonus, if you have a scaled score in Mathematics Methods ATAR and/or Mathematics Specialist ATAR, 10% of your scaled score/s in these subjects will be added to your Tertiary Entrance Aggregate. You will receive this Mathematics bonus even if the course/s are not in your best four. The maximum TEA in 2017 will be 430.

Average of your best 4 subjects (%)	TEA	ATAR	NOTES
			<b>To estimate your ATAR from your results in your school subject assessments, follow the steps outlined below. Note that this is an approximation only.</b>
32.65	130.6	30	<b>Steps:</b>
38.87	155.5	40	
44.50	178.0	50	<b>Step 1.</b> Add together the results of your best four subjects.
46.80	187.2	55	
49.32	197.3	60	<b>Step 2.</b> If you take a <b>LOTE</b> subject, calculate 10% of that subject and add it to the number.
51.92	207.7	65	Note that the LOTE subject does not have to be part of your best 4.
54.62	218.5	70	If you do not take a LOTE, move to Step 3.
55.18	220.7	71	
55.70	222.8	72	<b>Step 3.</b> If you take <b>Mathematics Methods</b> , calculate 10% of that subject and add it to the number.
56.25	225.0	73	Note that Mathematics Methods does not have to be part of your best 4.
56.78	227.1	74	If you do not take Mathematics Methods move to Step 4.
57.42	229.7	75	
58.05	232.2	76	<b>Step 4.</b> If you take <b>Mathematics Specialist</b> , calculate 10% of that subject and add it to the number.
58.68	234.7	77	Note that Mathematics Specialist does not have to be part of your best 4.
59.32	237.3	78	If you do not take Mathematics Specialist move to Step 5.
60.00	239.8	79	
60.60	242.4	80	<b>Step 5.</b> This number is approximately your <b>TEA</b>
61.32	245.3	81	
62.08	248.3	82	<b>Step 6.</b> Look across at the table and find the nearest match to your number in the <b>TEA</b> column.
62.88	251.5	83	
63.58	254.3	84	<b>Step 7.</b> Now look at the equivalent <b>ATAR</b> and this will give you an approximation of your ATAR.
64.40	257.6	85	
65.18	260.7	86	
66.08	264.3	87	
66.95	267.8	88	
67.95	271.8	89	
68.93	275.7	90	
69.90	279.6	91	For more information go to the TISC website at <a href="http://www.tisc.edu.au">www.tisc.edu.au</a>
70.95	283.8	92	
72.18	288.7	93	
73.45	293.8	94	
74.88	299.5	95	
76.68	306.7	96	
78.78	315.1	97	
81.32	325.3	98	
83.20	332.8	98.5	
85.22	340.9	99	
89.00	356.0	99.5	
91.12	364.5	99.7	
95.40	381.6	99.9	
97.95	391.8	99.95
