Externally Set Task (EST) Information

The Externally Set Task (EST) is administered in schools during Weeks 3, 4 and 5 of Term 2, 2017. All students enrolled in a General Year 12 or Foundation Year 12 course are required to complete the EST for that course. The EST is based on Unit 3 syllabus content and schools are advised that the syllabus content is now on the course page on the School Curriculum and Standards Authority website.

Feedback from schools regarding the 2016 EST process has indicated that some courses require information related to the materials and details of the EST. Specific advice for these courses is provided on the Authority's website at: <http://wace1516.scsa.wa.edu.au/assessment/externally-set-tasks>.
