Location - Library

Dear Student

All Year 12 ATAR students will be attending their second Goal Setting Session with Sally Topley as per the roster attached. **The interviews will commence on Wednesday 19th July and will run until Wednesday, 2nd August.**

Please prepare for your session by reading through the following points:

- Make sure you have thought about your goals and aspiration that you spoke to Sally about at the start of the year. Are you still on track? Have you revised your ideas? If you have revised your ideas, why has this happened?
- **The student roster is attached.** Find your name and make sure that you understand which time you are expected. Show your teacher the roster before you leave the class. It is important that you keep the time allocated but if it is just not possible (i.e. a class assessment) then you must arrange a swap with another student. You must then also inform Sally of your change of time. This can be done in the morning before school commences during Sally "Administration Time".
- If you cannot find your name then see me at the start of Term 3.
- Make sure that you at the library 5 minutes before your allocated time.

A copy of Sally's biography can be found on the SSBB under the Year 12 section.

The lead up to your final exams is a very important time. Take this opportunity to re-focus on your goals and energize for that final run home!

Regards

Owen Goyder
