

Year 11 Exam Revision Sessions – Term 4, 2017

Dear Students and Parents

With Year 11 Semester 2 examinations commencing in Week 5 of next term, we would like to offer students the opportunity to attend examination revision courses in Weeks 1- 4 of Term 4. These revision courses will be in addition to any revision programs being run in Learning Areas. With final examinations representing a large component of the final assessment weighting, it is essential that students are well prepared in order to maximize their final course score and grade. **I would again like to stress that all Year 11 students need at least 4 C grades in order to successfully meet the WACE requirements at the end of Year 12.**

Duncraig Senior High School will be largely subsidizing the cost of the program but students will need to make a contribution to offset costs. While the school is organizing and coordinating the program, the teachers running the program are being provided by *Academic Associates*.

Please note the following:

- All courses will be run onsite at Duncraig Senior High School (Mathematics block).
- All programs are for ATAR courses only.
- Each revision course will consist of a two hour program and will commence at the **time indicated on the program** (we have different start times because the tutors need to travel from their own schools).
- Courses have been programmed to minimize clashes, but there will be combinations of courses that are not possible.
- Some courses will fill up early – you **must book early** to avoid disappointment.
- I may have to cancel courses if students do not book early enough.
- Classes commence on the **first Tuesday of Term 4** (10th October).

Please complete the booking sheet attached. The cost of each course is \$10 and this needs to be returned with the booking sheet to the Cashier Window in the Administration Block by **Friday 15th September**. *The class size of the courses is restricted so it is important that students get their forms in as soon as possible to secure a position. **PLEASE MAKE A COPY OF THE BOOKING FORM FOR YOUR OWN RECORDS.***

This is an expensive initiative and I need your support to ensure that all of our Year 11 ATAR students take advantage of this opportunity to maximize their academic potential.

If you have any questions about the program please do not hesitate to contact me. Copies of this letter and program can be found at the Senior School Bulletin Board at http://www.goyder.net.au/DuncraigSHS/SeniorSchool/#Year11_Section

Yours faithfully,

Owen Goyder – Associate Principal – Senior School
28th August, 2017

Year 11 Exam Revision Courses – Term 4, 2017 – Duncraig Senior High School

Student Name _____ Form _____
