

Year 12 Semester 1 Exam Revision Sessions - 2017

Dear Year 12 Students and Parents

With Year 12 Semester 1 examinations commencing in week 5 , Term 2 we are offering students the opportunity to attend exam revision courses in weeks 1-4 of Term 2. Exam performance is an essential element of academic success and it is important for our Year 12 students to realize that the Semester 1 component of their courses will be a major part of the WACE exams in November. **I would strongly encourage all Year 12 students studying ATAR courses to take advantage of these programs.** The courses are run by Duncraig Senior High School and Academic Task Force. The external teachers that they are providing are very experienced with many having extensive experience in marking WACE exams..

Duncraig Senior High School will be largely subsidizing the cost of the program but students will need to make a contribution of \$10 per course to help offset expenses.

Please note the following-

- All courses will be run onsite at Duncraig Senior High (Mathematics block)
- Some courses appear multiple times (Chemistry, English, Physics, Pscyhology, Maths Applications) – You only need to attend ONE of the sessions. The school reserves the right to shuffle student numbers in these classes if required for balance. Students will be advised if this occurs.
- **Each review course will consist of a two hours program and will commence at the time indicated on the program.** There is some variation in the start times because revision teachers have to travel from a range of schools across the metropolitan area.
- Courses have been programmed to minimize clashes but there will be combinations of courses that will not be possible.
- **Some classes will fill up so you will need to book straight away to avoid missing out.**

Please complete the booking sheet attached. The cost of each course is \$10 and this needs to be returned with the booking sheet to the **Cashier window in the Administration block by Friday, 7th April (or sooner).** **Book sooner if you want to guarantee a spot.**

PLEASE MAKE A COPY OF THE BOOKING FORM FOR YOUR OWN RECORDS.

This is an expensive initiative but I am confident that it will be valuable in helping our students prepare for their WACE exams.

If you have any questions about the program then please do not hesitate to contact me. Further copies of this letter can be found in the Year 12 section of the SSBB.

Yours faithfully,

Owen Goyder – Associate Principal – Senior School
