

MPA SKILLS APPRENTICE QUALITIES AND VALUES

All MPA Skills' Apprentices are encouraged to demonstrate the following qualities and values:

SAFETY

Zero tolerance towards thoughtless, reckless, selfish behaviour on-site.

COMMITMENT

A commitment to be an excellent tradesperson and not just good.

TIME MANAGEMENT

Be reliable and be on time. 15 minutes early is better than 15 minutes late.

INITIATIVE

Show initiative by thinking ahead and being proactive.

COMMON SENSE

Think about what's going on around you.

FOCUS

Concentrate on the task at hand and always have a desire to improve.

HONESTY

Do what you say you will do and honour your word.

LOYALTY

Your employer provides you with an opportunity so repay them with your loyalty.

LISTENING SKILLS

Listen carefully and ask questions if you're unsure [clarify instructions].

PRIDE

Do whatever it takes to provide world-class workmanship anytime and anywhere.

THOUGHTFULNESS

Think about other people and meet accepted expectations.

RESPECT

Show an appreciation to those training you to become a better tradesperson.
