

WHY CHOOSE AN

APPRENTICESHIP?

APPRENTICESHIP

Make money while you learn

Learn on the job

Practical skills

Paid for full-time learning

Skills you can travel with

Hands-on skills and knowledge

Job prospects certain

Get paid while you qualify

Employer pays for training

Paid holidays

Pay increases each year

Skills you can use in the home

Get degree after apprenticeship

Start training for a trade in high school

Learn life skills

High earning potential

UNIVERSITY

Pay while you learn

Learn to get a job

Uncertain job market

No pay for full-time learning

Knowledge you can travel with

Theoretical knowledge

Job prospects uncertain

No pay to quality plus HECS debt

Student loans equal student debt

No pay for university holidays

Fee increases each year

Pay a tradesperson to do work in the home

Harder to get mature age apprenticeship after a degree

Prepare for university at high school

Learn more school skills

High earning potential

MPA Skills is the largest provider of specialised apprentice training in Western Australian and is renowned for producing the state's best tradespeople.

To find out about its Plumbing and Painting courses, talk to your VET Coordinator or visit mpaskills.com.au

FutureSkillsWA
