

Opportunity for School Based Traineeships - Hospitality

Sweet Lips have 4 venues within the metro area of Perth, offering award winning seafood dining and take away fish and chips. They are looking to fill 4-5 positions for School-based trainees at their Leederville (2-3 positions) and Scarborough stores (2 positions). Shifts are negotiable, but will mainly be during weeknights, weekends and busy holiday periods. Students will be required to work a minimum of 7.5 hours per week, but this can be averaged out over a 12-week period to allow for holidays, leave and other commitments. All training is provided on the job, and assessments and support will occur through our dedicated and qualified trainer every 4-6 weeks, also in the workplace. Those of you who have worked with Tubal before will be familiar with our reputation and level of service, but more information can be found on our website - <http://tubal.com.au/school-based-traineeships/>

Interested students who are 16 years or older (or turn 16 within the next month) can apply. Applications can be made by sending your resume and available days via email to sky@sweetlips.com.au by the 19th May. More information will be posted on the SSBB.
