

Senior School Success Subsidy (SSSS) Program

Dear Parents and Senior School Students

As part of our commitment to success for all Senior School students at DSHS, we offer a range of programs to support our students including:

- Semester 1 Exam Revision Courses (Year 12)
- Semester 2 Exam Revision Courses (Year 11/ 12)
- Goal Setting sessions with external consultant (Year 12)
- Homework Club (Year 11/12)

Further to this, students may wish to take advantage of our Senior School Success Subsidy of \$100 per student to purchase further support materials. Examples of the sort of things that would receive support include:

- Revision or Master Class programs run through recognized ATAR revision courses such as Academic Associates/ MasterMind Australia.
- Purchase of ATAR revision books (eg. Creelman)

Examples of items which would NOT be approved include:

- Private tuition
- School based programs (they are heavily subsidized already)
- School textbooks

Please note the following:

Please refer constantly to the [Student Success Planner](#) to help keep you focused on success!

Links to companies such as Academic Associates and Master Mind Australia can be found at the [Senior School Bulletin Board](#) – they often provide discounts for Duncraig Senior High School students. Please note that parents are responsible for booking these programs.

Please complete the application form on the attached page and submit directly to Mr. Goyder to claim your money (do not leave this application at the Front Office desk). Please ensure that you attach a full receipt which details the nature of the service/ materials for your claim to be considered. Note that a claim can be paid without a full receipt.

Regards

Owen Goyder
Associate Principal, Senior School

Senior School Success Subsidy Application

Given Name		Family Name		Form	
------------	--	-------------	--	------	--
